The Baker Tilly Xperience

From a fulfilling corporate life to learning and enrichment programmes plus fun social activities, you can be sure that your days with us will never be the same!

Social Xperience

Professional Xperience

Coaching and Mentoring
Besides on-the-job training, you will also learn from your seniors' experience by exploring the right questions.

Overseas Exposure
Enrich your work experience when you embark on overseas assignments - new culture, new perspectives!

Leadership Programme
Expand your capacity as an empowered leader through a series of training workshops, team-building and advanced leadership development programme.

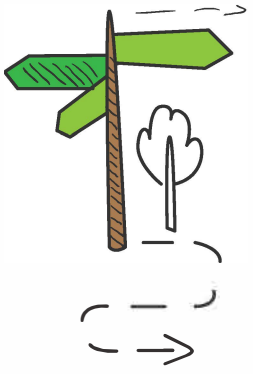

Industry Networking
Build your own network of meaningful business relationships with industry players as you progress in your career.

International Xperience

By being part of a top 10 global accounting and business advisory network, you'll get opportunities to work in integrated cross-border teams through multi-disciplinary divisions to service global clients as well as secondment programmes around the world.

Continuous Learning
Enhance your skill sets by learning up-to-date and practical know-how through a series of structured courses and on-the-job training. Learn, collaborate and share!

Baker Tilly is fully committed to providing the support, coaching and practical work experience to help you achieve your desired professional qualifications.
